We do not guarantee to keep your tank full. If your account is established as a will call delivery type, then we require 48 hour notice to arrange for a delivery.
- 2. Payment A metered ticket will be left or mailed to you after each delivery. The ticket will show the number of gallons delivered and the price per gallon, which is to be paid within 25 days. If other payment terms are required by our credit department you will be notified by them through written notification or telephone. If you require chargeable service calls for repairs or maintenance these will be billed to your fuel account and require the same method of payment as your deliveries which are established by our credit department.
- Statement If you have a past due balance on your account we will send you a statement which will show the past due amount as well as your current month's purchases, the FINANCE CHARGE, and the time in which payment should be made.
- 4. Finance Charges On balances of twenty-five (25) days or more we will compute a finance charge at the rate listed: 1.5% per month (equivalent to an ANNUAL PERCENTAGE RATE of 18% per annum). The FINANCE CHARGE will be computed upon the Adjusted Balance of the account which shall be the Previous Balance at the beginning of the billing cycle less all payments, credits and refunds during the billing cycle.
- 5. Default and Collection Costs You will be in default if you do not pay a balance on time, file for bankruptcy, or make an assignment for the benefit of creditors. Default means we can demand immediate payment of the full balance. If we refer collection of the balance to an attorney or collection agency, you will be liable for all reasonable fees incurred plus all court cost and expenses.
- 6. Irregular Payment and Delay in Enforcement We can accept later payments, or checks and money orders marked "payment in full" without losing any of our rights under this agreement. We can also delay in enforcing our rights under this agreement without losing them.

THE FEDERAL TRUTH IN LENDING ACT REQUIRES PROMPT CORRECTION OF BILLING

- If you want to preserve your rights under the Act here is what to do if you need more information about an item on your bill:
 - A. Do not write on the bill. On a separate sheet of paper write (you may telephone your inquiry but doing so will not preserve your rights under this law) the following:

Your name and account number (if any)

A description of the error and an explanation (to the extent you can explain) why you believe it is an error.

If you only need more information, explain the item you are not sure about and if you wish ask for evidence of the charge such as a copy of the charge slip. Do not send in your copy of a sales slip or other document unless you have a duplicate copy for your records.

The dollar amount of the suspected error.

Any other information (such as your address) which you think will help us to identify you or the reason for your complaint or inquiry.

- B. Send your billing error notice to the address on your bill which is listed after the words "Send inquiries to" or similar wording. Mail it as soon as you can, but in any case early enough to reach us within 60 days after the bill was mailed to you.
- 2. We must acknowledge all letters pointing out possible errors within 30 days of receipt unless we are able to correct your bill during that 30 days. Within 90 days after receiving your letter, we must either correct the error or explain why we believe the bill was correct. Once we have explained the bill we have no further obligation to you even though you still believe that there is an error except as provided in paragraph 5 below.
- 3. After we have been notified, neither we nor an attorney nor a collection agency may send you collection letters or take other collection action with respect to the amount in dispute but periodic statements may be sent to you and the disputed amount can be applied against your credit limit. You cannot be threatened with damage to your credit rating or sued for the amount in question nor can the disputed amount be reported to a credit bureau or to other creditors as delinquent until we have answered your inquiry. However, you remain obligated to pay the parts of your bill not in dispute.
- 4. If it is determined that we have made a mistake on your bill, you will not have to pay any finance charges on any disputed amount. If it turns out that we have not made an error, you may have to pay finance charges on the amount in dispute and you will have to make up any missed minimum or required payments on the disputed amount. Unless you have agreed that your bill was correct, we must send you a written notification of what you owe, and if it is determined that we did make a mistake in billing the disputed amount, you must be given the time to pay which you normally are given to pay undisputed amounts before any more finance charges or late payment charges on the disputed amount can be charged to you.
- 5. If our explanation does not satisfy you and you notify us in writing within 10 days after you receive our explanation that you still refuse to pay the disputed amount, we may report you to credit bureaus and other creditors and may pursue regular collection procedures, but we must also report that you think you do not owe the money and we must let you know to whom such reports were made. Once the matter has been settled between you and us we must notify those to whom we reported you as delinquent of the subsequent resolution.
- If we do not follow these rules we are not allowed to collect the first \$50 of the disputed amount and finance charges even if the bill turns out to be correct.
- If you have a problem with property or services purchased with a credit card, you may have the right not to pay the remaining amount due on them if you first try in good faith to return them or give the merchant a chance to correct the problem.
